

STARZ TV NETWORK- THE MAGIC STUDIO

INT. STUDIO LOBBY - MORNING

Sean and Matthew enter the studio, carrying bags and filming equipment. Matthew is also carrying a HUGE cup of coffee.

SEAN

Filming the last episode was So eventful, man! I can't wait to see what the new cast has in store for us this episode.

MATTHEW

Oh yeah, it's gonna be a Loooong couple of days. I think I need another cup of coffee already just thinking about it. I didn't sleep much last night- after almost 20 years in the biz I still get super nervous the night before!

SEAN

I know! If only I could teleport back to bed right now! Ahhh! I would hibernate.

MATTHEW

Ha! Yeah, if only teleportation was real! I'd be in the Amazon Rain Forest right about now.

Sean and Matthew are suddenly greeted by 8 super excited kids who are already waiting for them in the studio. Santino, Chasin, Gabriela, Anabella, Bradley, Whitney, Hayley, and Noelani.

KIDS

(Yelling) Gooooood Morning!!!

Sean and Matthew high five and welcome all the kids.

SEAN

We gotta bring these guys our stuff, we'll be back in a couple minutes to get started.

Sean and Matthew head down the hall, into the studio. We stay with the kids who take over the couches in front of the green screen room.

SANTINO

This is Such a cool studio!

BRADLEY

Guys, Sean and Matt have been my idols since... forever! They're such awesome actors!

GABRIELA

(Making fun of his Fan-Boying) I bet your soooo happy to meet them finally!

BRADLEY

(Mocking) As a matter of fact, Gabriela, I AM soooo happy to finally meet them!

WHITNEY

Well I hope you enjoy the time you get with them- I heard they're planning to teleport out of here...

HAYLEY

Why would anyone want to teleport OUT of such a cool studio?

NOELANI

(Duh) Ummm... maybe because there is infinitely expanding time and space to explore.

ANABELLA

You mean the Universe?

SANTINO

What's it called again?

NOELANI

Teleporting.

SANTINO

How does Teracording work? (Pronounced Tera-cording)

HAYLEY

It means jumping into the port with your telephone.

NOELANI

What?!?

GABRIELA

Yeah! Let's Tele-Port!

SANTINO

It's Tera-Cord.

NOELANI

That's nothing like what I said...

SANTINO

Well I'm not jumping anywhere with my phone... even with a cord!

WHITNEY
Especially not into Miami's Port!

BRADLEY
I would jump if Matt and Sean jumped with me!

WHITNEY
They would never jump with You, Bradley!

BRADLEY
Hey, you hush! They'd jump into the port with me! I've seen a video of Matt jumping off a bride into a river online! They'd so teleport with me!

NOELANI
Wow... you all have No Idea.

ANABELLA
(Singing like the tin man in Wiz of Oz) If only I had a braaaain.

FADE OUT.

INT. CEO OFFICE - DAY

Isaac, with camera in hand, walks into Zuzana's office. There are three kids hanging out just outside the office: Romy, Jennifer, and Javier. They are excited and whispering to one another, pointing at the camera.

ISAAC
Hey Zuzana, we're all ready to start filming. Is there anything else you want me to do before we start rolling?

ZUZANA
No. As long as the celebrities are in the house- we are ready to start. Oh, actually, one thing. I can't seem to find the lock to my drawer. I have that Magic Box with me, the one I told you about.

We see the kids outside the office from another angle, they are overhearing this conversation between Zuzana and Isaac.

ROMY
Did you hear that?

JAVIER
No, I didn't hear anything. I was checking out that sick camera.

JENNIFER

Shhh! I just heard it! She said it again!

ROMY

She has some magic box or something...

The three kids peak their heads between the cracked open door to Zuzana's Office, hoping to get a look at this magic box.

ISAAC

A Magic Box? I don't remember you mentioning anything about that...

ZUZANA

Yeah! Here's the thing; the Magic Box contains a Magic Ring and the instructions on how to become a Star, Gauranteed.

We see the kids eyes bug out.

ROMY

Did you hear that? She has a Magic Ring that will make us Famous!

JAVIER

She said it was Gauranteed too!

JENNIFER

That ring- Is Mine.

The kids are interrupted by Sean who has been looking for them to start filming.

SEAN

What are you peeps doing here? We've been looking all over for you! We're starting to filming- Let's Go! Move it. Move it.

Jennifer, Romy, and Javier have a smirk on the faces. Disappointment slides across their faces as the walk away because they were Just about to learn more about the magic ring.

Cut back to Zuzana and Isaac.

ISAAC

I'm gonna close the door. I think some kids were sneaking around and listening to us. (Closes door) anyway, you were saying about the Magic Box?

ZUZANA

Yeah, you see, you have to open the magic box first with the special key. (Shows

key) Then, you will find the instructions on how to say the magic spell. (Shows paper with spell) Then there is this magic ring which you will have to rotate twice in a clockwise direction to teleport to Hollywood - immediately. You would become a Star instantly! However, if you accidentally rotate the ring in the opposite direction you would teleport through time and space and...

Suddenly, Matthew slams open the door.

MATTHEW

Issac! We need you Stat! We're ready to film and these kids are Hilarious!

ISAAC

Okay, okay. (To Zuzana) Gotta go.

Isaac and Matthew head out to the main studio.

INT. MAIN STUDIO - MOMENTS LATER

Matt and 11 kids - Chasity, Javier, Valeria, Sebastian, Dyllin, Fadilah, Rebecca, Romy, Nathan, Jennifer and Melissa - are rehearsing in the main studio.

ROMY

(To Jennifer) Hey Jen, we should totally go to the CEO's office and find the Magic Box.

JENNIFER

Yeah, I agree. There's gotta be Some truth to it... they were being so secretive.

ROMY

What if it really works?? And we both become SuperStars!!

JENNIFER

We can't go alone though. What if we get caught stealing the box?

ROMY

Yeah, let's ask Javier if he'll join us.

JENNIFER

That was we can say he made us do it!

ROMY

What? No... He's always got great escape plans.

Both girls approach Javier and one whispers into his ear.

JAVIER

I would but it could get real dangerous, girls.

JENNIFER

You're right. Hmmm... how can we do this? I Need to be a Star!

ROMY

Maybe, if we get all the kids to join us, we'll have the best shot at getting it.

JENNIFER

That way we can all become stars!

JAVIER

I like your thinkin', Romy.

ROMY

Okay, let's wait for Matt to leave the room and we'll tell them.

JAVIER

I got this-

We see Matthew rehearsing with a group of kids by the cameras. Javier approaches-

JAVIER

Hey Matt, did you hear the coffee maker go off?

MATTHEW

Oh no, I didn't! Thanks Javier, you truly got my back, don't you?

JENNIFER

(Sarcastic) Totally!

Javier turns around and shushes Jennifer, hoping not to give it away.

JAVIER

(Patting Matthew on the back as he walks him out) Hahaha - yeah, I'm always looking out for number one! Numero Uno! Best in the-(slams door) Jennifer, you almost gave it away!

ROMY
Nice one, Javier.

Javier brushes his shoulder off, like a boss.

JENNIFER
Alright, well I need everyone's attention-

VALERIA
(Under her breathe) Like that's a surprise.

JENNIFER
I heard that. Whatever. There is a Magic Box in the CEO's office that can make anyone a Star! Gauranteed! We wanna go check it out, will you come with us??

SEBASTIAN
Sounds like an adventure. I'm in!

FADILAH
Really?? I wanna be a Star!!!

MELISSA
Is it really Gauranteed though? I don't want to risk getting caught for some "Magic Box" that doesn't even work...

JENNIFER
Totally Guaranteed! We saw it work!

JAVIER
What? I saw nothing-

JENNIFER
(Cutting him off) nothing more spectacular in his life! You in?

DYLLIN
I say we go before Matt gets back.

REBECCA
Yeah, I'm not waiting for him to get his 10th cup of coffee- I want be a Star Now!

CHASTITY
Let's go!

The kids storm out of the main studio heading to the office. They are carefully proceeding to the front of the main entrance, where they witness Zuzana leaving the studio.

MELISSA

Perfect! There she goes! We're clear to proceed!

VALERIA

I'm scared. What if someone is in there and we get caught creeping in?

DYLLIN

If you're too scared then stay out here. I'll go in.

ROMY

I'm going in for sure!

Romy puts her hand on the door handle, takes a deep breath and pushes down the handle. The door opens. Everyone breathes a sigh of relief. Romy slowly pushes the door opened and Jennifer takes the first peak inside; nobody. Jennifer enters 1, followed by a few others.

JENNIFER

Let's go, everyone! We have to find the Magic Box and get out of here Fast!

Javier heads for the main desk area.

JAVIER

It's got to be Here somewhere. She mentioned she couldn't find the lock for the drawer. I'm sure it's in one of the drawers.

All the kids in the room surround the desk, searching it all over for where the box could be hidden. Fadilah and Rebecca jump on the desk in order to have a better view of the drawers as Javier, Romy and Jennifer search through them. Chasity, Valeria, Sebastian, Dyllin, Nathan and Melissa are watching intently.

JENNIFER

Dyllin, go guard the door. Makes sure no one enters.

Dyllin runs to the door and stands guard. Jennifer, Romy and Javier are scanning through the paperwork in the drawers. The kids appear scared and frustrated as they struggle to find the box. The time is running out.

REBECCA

Quickly, quickly. Hurry up!

VALERIA
Where is the box?

NATHAN
What's it supposed to look like?? Did anyone see it?

JAVIER
(Searching) Not here. Not here. Not there. Nope. That's not it.

ROMY
I am not leaving this room unlike that Magic Box is in my hand.

MELISSA
Time is running out, peeps! It's now or never!

Javier is scrambling through a drawer, frantically. Suddenly he stops, reaches inside the drawer and let's out a scream.

JAVIER
I found it!! Yes!!! Finally!

Javier pulls out the magic box. In victorious fashion he puts the box on the table! All the kids surround the box including Dyllin. They look at the box as Sebastian opens the cover.

SEBASTIAN
The inside is locked...

FADILAH
The key must be somewhere!

ROMY
Dyllin, go guard the door again! We gotta find the key now.

CUT TO:

INT. MAIN STUDIO - CONTINUOUS

Matthew enters the studio with his fresh cup of coffee and a big smile on his face. His smile quickly disappears as he finds that there is not even a trace of the kids.

MATTHEW
What in the world...? They were just... I was only... the kitchen is right... either I'm going crazy or nearly a dozen kids just teleported out of here.

CUT TO:

INT. CEO OFFICE - CONTINUOUS

Kids are frantically looking for the keys. They are looking everywhere. Suddenly Romy screams.

ROMY

Found it! I found it! Yeeeeee!

VALERIA

Shhh! Don't be so loud!

REBEKAH

We gotta get out of here guys.

JAVIER

No! Not before we open the box and see what's inside.

Javier takes the key from Romy and opens the box slowly. All the kids are watching, including Dyllin.

The box opens. The magic ring, the 3 digit lock and ancient scrolls are inside.

Sebastian opens one of the scrolls and proceeds to read the note.

SEBASTIAN

"And now you have unlocked the ancient secrets..."

JAVIER

(Continuing to reach from it) "The Magical Formula to create wealth, success and Stardom..."

ROMY

(Continuing to reach from it) "You must follow these directions precisely. You must..."

NATHAN

(Reading from that point) "Recite the magic spell written on the second scroll in a circle as a gathering. You must rotate the Magic ring two times in the clockwise direction..."

MELISSA

(Reading from that point) "Once you do these things you will be teleported,

instantly. To Hollywood!"

CHASTITY

(Reading from scroll) "You will instantly become famous!"

SEBASTIAN

There's a twist to all this! Right here!
(Points at scroll)

REBEKAH

Twist? What kind of twist? Like a plot twist?

Dyllin leans over to continue reaching the scroll.

DYLLIN

(Reading from scroll) "The twist is: you must figure out how to take Matthew with you..."

JENNIFER

(Reading from scroll) "The spell will not work, unless you teleport to Hollywood with Matthew and include him in your spell"

FADILAH

(Reading scroll) "Remember! You must rotate the ring in the clockwise direction Only to be teleported to Hollywood"

VALERIA

(Reading scroll) Attention: if you rotate the ring in the wrong direction you may be teleported outside of time and space" (a little shocked) How is this not in a government lab somewhere??

REBECCA

(Reading scroll) "In the event of being teleported outside of time and space, simply unlock the three digit combination and you'll be redirected to the studio, here and now"

JENNIFER

Wow! That's awesome! Sounds simple enough!

VALERIA

Yeah... a little too simple...

JAVIER

I'm sold. Let's do this!!

REBECCA

Can't you read? We need Matthew with us or it won't work.

VALERIA

Yeah, that's a little fishy too. Is it Matt who wants to go or the CEO who trying to get us to take him away...?

No one is listening to Valeria.

FADILAH

How are we going to get Matt to join us?? He'll never teleport with us!

SEBASTIAN

He might not teleport willingly... but we Can kidnap him!

MELISSA

What? You're going to try and Kidnap Matthew?

SEBASTIAN

Absolutely! I'll do anything to get to Hollywood and be a Star!

CHASTITY

Definitely! Whatever it takes! Even if that's means kidnapping!

VALERIA

You guys are something else...

CHASTITY

Thanks! That's why we're gonna make it in Hollywood!

VALERIA

It wasn't a compliment.

ROMY

We need a plan... How about we go back and tell Matt we have a new scene that we need to rehearse with him. We have to include him so he doesn't suspect the kidnapping.

SEBASTIAN

Sounds like a plan to me! Javier, hide the box. Jennifer, you're in charge of the ring.

JENNIFER

I got this. Turn it twice, clockwise,
while we all chant the magic spell on the
ancient scroll.

JAVIER

All set! Let's get out of here so nobody
notices anyone was every here.

All the kids pile out of the office as the camera pans to
reveal the room is in complete disarray - there's no doubt
someone was there.

CUT TO:

INT. STUDIO LOBBY - MOMENTS LATER

Matthew walks from the editing room into the lobby, looks quite
confused and a bit depressed.

MATTHEW

I don't understand. I've checked the
editing room, board room, main studio,
green screen studio, kitchen, coffee
maker, everywhere... I refuse to admit
they teleported. Oh no... I hope they
weren't kidnapped. It takes a horrible
person and/or people to kidnap someone, I
hope I never meet someone like that...

Suddenly the kids start running towards Matt bumping into him
in front of the green screen room. Matthew is more then excited
to see the kids!

MATTHEW

Oh thank goodness! Where have you all
been?? I was so worried you teleported
somewhere or worse- you were kidnapped!

The kids look at each other trying to figure out if Matthew
knows anything about their plan to kidnap him and teleport to
Hollywood. They try to play it off as they all proceed to the
main studio where the kidnapping and the magic teleportation
is supposed to take place.

SEBASTIAN

(To Jennifer) I hope he doesn't know
anything about our plan to kidnap him.

INT. MAIN STUDIO - CONTINUOUS

Chasity, Javier, Valeria, Sebastian, Dyllin, Fadilah, Rebeccah, Romy, Nathan, Jennifer and Melissa all surround Matthew.

NATHAN

Hey, Matt, we have this cool new scene we want to practice with you...

VALERIA

Yeah, they've been rehearsing it all morning. (Sarcastically) I'm sure you'll love it.

MATTHEW

Ahh, so that's what you've been doing! I see. You wanted to surprise me with your own scene! How nice. Ok, guys. I will let you do it this one time, but then we have to go directly to our original script. OK? We have to start filming.

The kids surround Matthew in a circle. The kids stand close to each other, there is no room for Matthew to escape. Javier starts reading the magic spell and continues passing the note to each child to continue reading the next line until it reaches Jennifer with the magic ring on her finger ready to rotate.

JAVIER

Once upon a time.

CHASTITY

When there was no time.

VALERIA

There was no space and there was no universe.

SEBASTIAN

Only sparkles and One Golden Star.

DYLLIN

I made my wish to travel far.

FADILAH

So far, only where stars can go.

REBECCA

In the midst of rain and the moonlight glow.

ROMY

All my wishes would come true.

NATHAN
For sure if only I could.

MELISSA
Teleport to Hollywood!

Jennifer is ready to rotate the ring. We zoom in on the ring. She is not sure which direction is clockwise. She is hesitant.

CHASTITY
Come on! Rotate the ring!

MELISSA
Quickly! In the direction of a clock!

JENNIFER
(Frantic and confused) Which direction is the direction of a clock?!

SEBASTIAN
Left!

NATHAN
No! Right!

ROMY
No! To the left!

FADILAH
Just turn it either direction! Hurry!

Matthew is very confused. Looking around at all of them wondering when he's supposed to get involved.

MATTHEW
What in the World Wide Web is going on here? What are you doing?

Jennifer finally rotates the ring twice! No one really knows if it was in the direction of the clock! Suddenly kids disappear with Matthew from the main studio.

CUT TO:

INT. GREEN SCREEN - SAME TIME

Sean is rehearsing with 9 kids. Alissa, Nuha, Alessandra, Alexandra, Lindsey, Juliana, Emily, Francesca and Janan. Suddenly their rehearsals get interrupted by Alberto as he walks in.

ALBERTO

Hey, Sean! Have you seen Matt? I'm supposed to film this scene with him in the mainstudio and I can't find him. I looked everywhere, but no one can seem to find him. Also, supposedly some of the kids mysteriously disappeared from the studio.

SEAN

What? That's nonsense. I just saw him getting a cup of coffee in the studio kitchen. I mean, he mustbe there!

ALBERTO

No, we have checked everywhere. They are not in the studio. The guard didnât see them leave either. I mean, they just disappeared! It looks like they teleported or something!

The other kids start laughing at the idea.

ALISSA

Teleportation isn't real.

EMILY

I heard it's real. My dad teleports all the time.

LINDSEY

Even if they Did teleport, where would they go?

ALISSA

That's an easy one. Hollywood, obviously!

SEAN

Alright guys, listen! Teleportation is not real ok!? I'd just suggest we go look around the studio andwe'll find them! I am sure they are HERE!Or you know what! You guys stay here with Alberto. I will go!

Sean leaves the green screen studio. Returns shortly after - sweating and he is deeply stressed.

SEAN

Oh, oh, you know there is something going on. I donât know what is going on. But you were right, Alberto. The kids and Matt are not HERE! Some parents are already freaking out and calling the police. I

mean, I have no clue what is going on!

EMILY

You see! I told you! They teleported!

NUHA

I'm scared!

ALEXANDRA

Scared of what? Teleportation? That's a piece of cake... I've teleported before.

LINDSEY

No you have not.

ALISSA

I've teleported before too! My dad has a teleporting machine.

JANAN

You just said that teleportation isn't real, Alissa.

ALISSA

Whatever!

SEAN

(Stepping in between them) People, please stop! This is serious! Teleportation is NOT REAL! They must have been kidnapped or something. I have to go see Zuzana and tell her what is going on!

Sean books it out of the studio to Zuzana's Office.

CUT TO:

INT. CEO OFFICE - MOMENTS LATER

Sean comes storming into the office- sweating and stressed out.

SEAN

Zuzana! We have a problem!

ZUZANA

What's wrong? (Noticing his sweat) wow, Sean, what's going on? You look like you just came out of the sauna, again.

SEAN

Well, Matt and like 11 kids have mysteriously disappeared from the studio! They are gone! They have checked the

security cameras and everything! They havenât left the building.

ZUZANA

Haha, that's very funny Sean. Come on, it's not like they have teleported or anything...TELEPORTED?

Zuzana quickly realizes that there is a possibility the kids got ahold of her magic box with the ring and the teleporting instructions. Quickly searching through the drawers, there is no box.

ZUZANA

Oh my god. Sean!

SEAN

Oh my god. Zuzana! What?

ZUZANA

I knew something looked off in here. There is no magic box! Someone must have taken it. If it's them they've probably teleported outside time and space and they will never come back!

SEAN

What? What do you mean they will never come back?

ZUZANA

If they accidentally turned the ring in the wrong direction they will be forever lost outside of time and space! Unless...unless they unlock the magic lock!

Sean looks confused but excited none the less.

SEAN

That's great. So they can just unlock the lock and... and..come back to the studio!

ZUZANA

No! They can't!

SEAN

Why not??

ZUZANA

Because they don't have the code!

SEAN

What?!?!?

ZUZANA

You see, the magical combination was never written on the scrolls. Only I know it in my mind.

Sean looks really confused and concerned at this point.

SEAN

Okay, even if I put aside the obvious questions like, how is this not in some government warehouse... What on earth are we going to do???

ZUZANA

Listen, you have to teleport to Save them! Only you can do it! I will give you the Code and you will have to pick 3 kids to go with you. Each one of them will carry one code number!

Sean is starting to breathe heavy.

SEAN

What? We're teleporting More kids?!?

ZUZANA

You've got this. I have faith in you!

Sean pulls himself together and Zuzana pats him on the back as he heads out of her office.

CUT TO:

INT. GREEN SCREEN - MOMENTS LATER

SEAN

Omg, guys you are not going to believe this. I don't know what to say. But apparently teleportation is REAL and Matt and the kids teleported somewhere outside of time and space.

EMILY

Why? My dad will be super cool with it.

SEAN

Of course he would be, you're still here in the studio and not Outside of Time and Space!

ALISSA

Yeah, my mom always tells my dad to teleport out of the house.

JULIANA

My mom teleported out of a business meeting once!

ALESSANDRA

My parents hate business meetings. They teleport in and out all the time.

SEAN

Believe me, your parents would not be cool with this kind of field trip. We'll have to teleport secretly.

ALESSANDRA

What do you mean, teleport secretly? Are we teleporting too?

EMILY

Yes! My dad is going to Love this!

JANAN

My dad would Not want me teleporting anywhere.

ALISSA

Exactly! That's why you're not going!

JANAN

I am too going!

ALISSA

(Bratty) You are too Not going!

LINDSEY

Stop being such a brat Alissa. Or I'm going to teleport you right outa here.

All the girls start laughing. Sean steps between them again.

SEAN

Alright, alright, stop!! Ok! This is more serious than you realize! No one teleports unless I say we teleport. Actually, actually, we have to Teleport NOW to save them!!

JULIANA

To save who?

LINDSEY
To save Matthew and the rest of the kids!
Where have you been?

FRANCESCA
I would do anything to save Matthew!

SEAN
We might not ever come back...

FRANCESCA
On second thought, I can admire his
memory.

ALEXANDRA
Well I Will do anything to save him! I'm
going?

SEAN
Listen up, only 3 of you can go with me!
There is only a 3 digit code that needs to
be entered tounlock the magic lock. And
we need to go NOW!

ALL KIDS
I wanna go! I wanna teleport! I wanna save
them!

Sean quickly scans the room and chooses Emily, Alissa, and
Alexandra. Sean looks to Alberto-

SEAN
Alberto, you stay here and rehearse the
script with the rest of the cast. We WILL
be back!

Sean, Emily, Alissa and Alexandra race out of the green screen
studio.

CUT TO:

INT. CEO OFFICE - MOMENTS LATER

Sean and the three kids enter the room.

SEAN
Alright. We're ready to teleport!

EMILY
I can't wait! This is so exciting!

ALEXANDRA

Yeah! I wonder where this journey will take us!

ALISSA

Maybe to the midst of the Amazon Jungle!

Meanwhile Zuzana takes a long black cloak from one of the drawers. Suddenly it gets darker in the room. Sean puts the cloak on and the kids hide under the long black robe. Zuzana assigns them the numbers pointing at each child holding her magical Star Wand!

Starting with Emily, then Alexandra, then Alissa-

ZUZANA

4-3-1! Do not forget the sequence!

ALL THE KIDS

We won't! We promise!

Zuzana hands he magic wand to Sean.

ZUZANA

Take this. It will lead you through the darkness.

CUT TO:

INT. GREEN SCREEN - MOMENTS LATER

Matt and 11 kids: Chasity, Javier, Valeria, Sebastian, Dyllin, Fadilah, Rebecca, Romy, Nathan, Jennifer and Melissa just teleported. They suddenly appear in the jungle. They are all shocked, not sure what is going on. The kids were expecting to teleport to Hollywood. They haven't realized Jennifer didnât rotate the ring in the right direction.

MATTHEW

What's going on? Where are we? Where's the studio?

SEBASTIAN

Wow. This doesn't look like Hollywood...

MATTHEW

What?? No! It definitely doesn't look like Hollywood! More like the Amazon Jungle! I mean, yeah, I was talking about teleporting here this morning but... I was joking. This... this isn't real. I'm dreaming.

NATHAN

Wow! This is so Cool!!

ROMY

(Looking scared) Are we really in the jungle or is this all just special effects? We're on a weird Hollywood set, right??

JENNIFER

I thought the Magic Ring was supposed to take us to Hollywood!

MATTHEW

What Magic Ring?

Jennifer, now scared for her life, hands over the Magic Ring.

SEBASTIAN

It's all your fault, Jennifer! I told you to rotate the ring to the left! We'd be in Hollywood right now!

MELISSA

Yeah Matt, that's the Magic Ring that teleports you to Hollywood. But you have to turn it in the right direction! If not, it says you'll be lost outside of time and space forever.

Matthew examines the ring closely.

MATTHEW

Why did you all take me here?? I want to go home, right now!

DYLLIN

We took you here because the Magic spell instructed us to kidnap you!

MATTHEW

What? You kidnapped me? You did kidnap me!

REBECCA

That's right.

MATTHEW

Oh jeez, I need shot... of espresso.

CHASTITY

Look at the ancient scroll! Maybe there's a way out of here!

Matthew is extremely anxious and reads the scroll.

MATTHEW

Attention: if you rotate the ring in the opposite direction you will forever be lost outside of time and space. I think we're in another dimension.

Matt puts the ring on his finger and examines it. He rotates it. Lights Start Flashing. They're teleported to the middle of space with planets all around them.

MELISSA

Wow! We really are outside of time and space! I don't even have to breathe out here!

VALERIA

It's so beautiful! That's Saturn!

REBECCA

No look! It's Venus!

Everyone is awestruck by the view of the space around them.

MATTHEW

We need to get out of here! We gotta get back to the studio or Zuzana is gonna kill me!

JAVIER

No... she's gonna kill us for stealing her Magic Box.

MATTHEW

What? What now? You stole a Magic Box too??

Javier was hiding the box the whole time, he hands it over to Matthew. Matthew opens the box and find the combination lock inside, locked. Matt studies the lock and continues reading the scroll.

MATTHEW

However, if you Do get lost outside of time and space: simply unlock the 3 digit combination lock and you will be teleported right back to the studio.

Matthew re-reads the last part to himself quietly.

MATTHEW

Bingo! The code! No who has the combination?

ROMY
What code?

DYLLIN
I didn't see a code anywhere...

JAVIER
No! There is no code!!

Matthew frantically starts entering combinations, trying to unlock it. No success.

MATTHEW
Ahhh! Nothing's working! We need that code!

Suddenly Sean, Alissa, Emily and Alexandra appear! Sean uncovers his black cloak! Matt and 11 kids are shocked! Happy to see them at the same time.

SEAN
Thank goodness we've found you! We're here to rescue you!

ALEXANDRA
Yes! We have the code!

MATTHEW
Oh, thank heaven!

VALERIA
How'd you find us?

EMILY
Each one of us carries a magic number to unlock the magic combination.

VALERIA
Yeah, but how'd you find us between Saturn and Venus?

MATTHEW
I think I'm going to faint.

JAVIER
I think that's more from caffeine and less the adventure.

JENNIFER
What are the numbers??

SEAN
The code is...

EMILY

4

ALEXANDRA

3

ALISSA

I forgot mine.

MATTHEW

What???

ALISSA

Hahahaha! Just kidding! I love driving you crazy! It's ONE!

Matthew enters the combination into the lock. Lights flash. Everyone disappears.

CUT TO:

INT. MAIN STUDIO - MOMENTS LATER

Alberto, Alessandra, Nuha, Alexandra, Lindsey, Juliana, Janan and Nolelani are anxiously waiting for Sean's return! Lights flash and poof - Alberto and the group of kids are shocked as Matt, Sean and the other kids pop out of nowhere. They all start screaming at each other in shock.

Zuzana walks in.

ZUZANA

Hey! Hey! Hey! Quiet down in here. Aren't you supposed to be filming. You might scares your parents into thinking you're off teleporting to the Amazon or something crazy like that...

We see all the kids as well as Sean and Matthew in utter disbelief, Zuzana looks unphased. She winks and turns to walk out of the studio.

ZUZANA

Oh, I almost forgot. Has anyone seen my magic umbrella?
