The Golden Stars

INT. MAIN BUILDING LOBBY - MORNING

Matt, Sean, Jack and Elizabeth are running late to the studio. Sean is wearing a princess Tiara on his head, huge chocolate cake in his hand, birthday candles are sticking from behind his ears. They quickly wave at the lobby guard and run towards the elevator.

Sean
(Out of breath)
We are so late. Where is the elevator?

Matt
No! No man. You know my issues with the elevators. We gotta take the stairs.

Sean
Oh....

They pivot toward the stairs.

INT. STAIRWELL - CONTINUOUS

The group burst into the stairwell and head up the stairs. Reaching the second floor Sean stops short.

Sean
Wait, I gotta go down real fast...I need to pee so bad. I really can't hold this anymore.

Sean hands the cake over to Elizabeth.

Jack
Actually, I need to go too!

Matt
Are you guys serious?

Jack
He is serious. (Points at Sean) I am Jack. (laughs)

Sean and Jack run down the stairs.

INT. STUDIO BOARDROOM - DAY

The CEO is seen polishing and dusting beautiful statues holding the golden star up in the air: "The Golden Stars" She neatly presents them on the main boardroom table. They are seen in perfect display.

INT. STAIRWELL - CONTINUOUS

Matt and Elizabeth are still waiting on the stairs. Matt is growing anxious.

Matt
Oh, come on guys!

There's a awkward silence between Matt and Elizabeth.

Elizabeth
Is it your birthday today, Matt?

Matt
My mom thinks so...

Elizabeth
Cool. How about your dad?

Matt
He thinks it's next year.

Elizabeth
(Playing off the confusion)
Cool.

Another awkward silence surrounds them for a few moments before Sean and Jack come running up the stairs, quickly passing Matt and Elizabeth.

Sean
Let's Raise, Bday Boy!

Jack
(Passing Matt)
Easy to run on an empty bladder. Ha ha ha

Elizabeth and Matt run after them. Elizabeth struggles carrying the chocolate cake.

INT. STUDIO BOARDROOM - DAY

Matt, Sean, Jack and Elizabeth finally enter the studio, gasping as they enter the boardroom.

Sean
We are here!

Zuzana
I can clearly see that. We have been waiting in panic for your on time arrival.

Sean
Who is we?

An awkward silence fills the room. Zuzana looks at the Golden Stars and looks back at Sean.

Matt
Sorry, Zuz. Sean needed to go pee again on the way up... so they had to go down again. I think he has some bladder issues.

Sean

Yeah,? Why don't you tell her we had to use the stairs cause you are too scared to use the elevator!

Matt

Are you calling me claustrophobic, princess? Why don't you just keep on singing in the shower.

Sean

I don't sing in the shower. I PERFORM!

Elizabeth and Jack both laugh.

Matt

You know, today I feel like a tampon. Just ready to get out!

Sean and Zuzana look at Matt, confused.

Zuzana

Ok. That's it. Ladies! This is not the time to discuss your bladder, tampons (shoots Matt a look)... insecurities. Especially not today! We have famous producers coming in AND a puppy.

Sean

I like puppies.

Sean and Matt are both suspiciously staring at the Golden Stars the whole time.

Sean

Who are they?

Zuzana

They are the ones I wanted you to meet! 24 carat pure Gold. The precious!

Matt, Sean, Elizabeth and Jack are staring at the Golden Stars, mesmerized. Sean reaches out to touch one.

Zuzana blocks his hand by creating a hand circle around the statues to protect them.

Zuzana

Don't touch! I have polished, I have dusted... The last thing I need is your fingerprints all over them. Besides, humans make them feel...vulnerable.

Elizabeth

Fascinating!

Jack

Can they talk?

Zuzana

Yeeees.. But only in the dark. They are light sensitive.

Elizabeth

Cool.

Sean

They remind me of my grandfather. He was the same way before he passed away.

Awkward silence. Zuzana looks at Sean, offended.

Matt keeps on staring at the Golden Stars the whole time.

Zuzana

Why are you looking at them like that?

Matt

Looking at them like what?

Zuzana, Sean, Elizabeth and Jack together

Like you WANT one!

Matt

Yeah, right. What would I do with your light sensitive, vulnerable creeps!? We gotta start filming.

Issac suddenly enters the boardroom with a camera on his shoulder.

Isaac

Sorry to interrupt. We gotta start filming!

Matt

(Dumbfounded)
I just Said that!

Isaac

Also, Zuzana, please don't forget to sign the new studio insurance policy papers. You know, in case of the flood or the fire.... After IRMA they have changed the insurance policy.

Zuzana

Aah, Good Idea!

Zuzana turns around and looks for the papers. She is ready to sign. She extends her left hand to Sean.

Zuzana

Pen!

Sean struggles to find the pen around. Finally, he takes the birthday candle from behind his ears and hands it over to Zuzana.

Zuzana quickly changes her mind after looking at the candle and extends her right hand to Matt.

Zuzana

Or a lighter!

Matt

Oh, I got that!

Zuzana

Good, just don't set the studio on fire... Just kidding.

Zuzana lights up the candle and sticks it into the chocolate cake which Elizabeth placed in front of the Golden Stars earlier. She blows out the candle.

Matt

That's my cake!

Zuzana

Yeah, that's your cake. I am not gonna eat it. Gotta go to the Gym!

Zuzana

You are in charge (to Matt) of THEM.

Zuzana points at the Golden Stars before leaving to the gym and never signs the insurance papers.

INT. GREEN SCREEN STUDIO - DAY

Seven kids: Emily, Fabiana, William, Britney, Racson, Jackson and Leeya are prepping a birthday party for Matt. The room is decorated with balloons and cookies. Big table in the middle awaiting the arrival of the Big Chocolate Cake. The Sign reads: HAPPY BIRTHDAY MATT!

Fabiana

Do you think Matt will like the Blue Balloons?

Britney

No, Pink will work better with his complexion.

Racson

He was wearing pink socks at the last rehearsal, I think that means he likes pink.

Leeya, Jackson and William are popping the confetti already!

Leeya

Yeah, I love the paper fire works!

Leeya rejoices in flying paper confetti.

INT. STUDIO LOBBY - DAY

Matt, Sean, Elizabeth and Jack exit the boardroom. Matt is holding his chocolate cake.

Matt

I don't know why she is so obsessed with those "golden" creeps in there. It's not like they are made out of real Gold anyway.

Sean

Yeah, right? "Don't touch them, I have polished, I have dusted" (mocking Zuzana) I think she is losing her mind. (laughs)

Matt
Right? Must be all the stress from putting the whole show together.

Suddenly “Cooper” aka Carlos enters the studio holding his puppy in one hand and a Big Present for Matt in the other hand! Sean, Matt, Elizabeth and Jack greet him at the door.

Sean
And Cooper is here!

Cooper
Hi Guys!

Jack
Wow! That's a big present! Is it for me?

Matt shoot Jack a look of betrayal. Jack laughs it off.

Elizabeth
Wow! What a cute puppy?? Can I hold him?

The seven kids from the Green Screen Studio rush to welcome Matt, Sean and Cooper also. They Scream “Happy Birthday Matt!!” as they circle around Cooper and the puppy!

Racson
Matt, let's Go Celebrate! We have a big party ready for you!

Fabiana
Yeah, paper fire works and everything!

Matt
Paper fireworks? What's that? I want the real ones!!

Fabiana
Well, if we set the paper on fire, than we can have the Real Ones for YoU!

Matt
Oh, no, please don't do That!

Racson
Sounds like a plan to me!

Before Matt can continue his debate with Racson about lighting confetti on fire, Issac enters.

Isaac
Guys, sorry I hate to break up your club, but I need, Sean, Jack and Elizabeth. We gotta start filming your scenes! Now!

Sean
Yeah, Lets go guys! We will join the party later.

Jack
But I want to party now... Actually, actually, I need to go pee again.

Sean pulls Jack away to leave to the restroom. Elizabeth runs to the Main studio.

INT. MAIN STUDIO - DAY

We see 7 kids awaiting the filming. Alissa, Mya, Dayana, Jennifer, Eanna, Mia and Dessire. Alissa, Mya, Eanna, Mia and Dessire are lounging by the studio windows admiring the view of Miami Bay.

Mya
This is the best view Ever!

Alissa
Yeah, my dad has a yacht docked over there!

Eanna
My uncle AND my dad have a yacht docked over there! So we got 2 yachts there, and 4 over in the Bahamas!

Mia
I don't believe you.

Dessire
You don't have to believe her.

Mia
Nobody asked you.

Elizabeth enters the studio and quickly approaches the girls chatting by the window.

Elizabeth
Listen girls, you are not going to believe what I have just saw?

Mya
What?

Elizabeth
You have to pinky promise you won't tell! Anyone! This has to be our top secret!

Dessire
Like the mission impossible top secret?

Elizabeth
Exactly, Tom Cruise style secret. Okay, I just saw the most breathtaking Golden statues, holding the Golden Star! Made out of pure gold! Precious. They talk in the dark and they sing in the rain.

Mya
What? That sounds suspicious.

Eanna
I am open to anything that spells G-O-L-D! Where are they?

Elizabeth
In Zuzana's office. Matt is supposed to watch them while she is at the gym.

Mia
What?! She works out?

Dessire
Why does that surprise you?

Mia
I just thought it came naturally to her.

Dessire
Working out or being active is how it happens naturally.

Mia
Ooooh.

Eanna
(Trying to bring them back on track)
Girls! Who cares where she is, she left the Golden Stars all alone! I want to see what's up!
Maybe they are real!

Dessire
No. You can't just take them! They are awarded at the final showcase only to the best performers!

Elizabeth
Well, I am The best performer!

Dessire
You wish. That would be Me.

INT. GREEN SCREEN STUDIO - DAY

Matt, Emily, Fabiana, Leeya, William, Britney, Jackson, Racson and Cooper. Matt places the chocolate cake on a pretty table in the middle and lights up the candle again.

Matt
(To himself)
She blew out my bday candle. How rude! "Yeah, it's your cake" (mocking Zuzana)

William
Matt, open your presents!

Cooper
I have something special for you!

Cooper hands a big present box to Matt. Racson is snacking on iSTAR cookies with his mouth full.

Racson
(Talking with his mouth full)
Yeah, open it! We want to see what's inside!

Emily
Racson, stop eating those cookies! Those are for Matt! And Matt only.

Matt
No, guys! Eat it! I am on the diet!

Racson
(Mouth full)
Thank you, Birthday Boy!

Britney
Why are you dieting so suddenly?

Fabiana
The camera. Adds pounds just by looking at it.

Matt
Yeah! And I have been looking at cameras for a long time!

Racson
I hate to break it to you, but I don't think that's how it works.

Matt
Spotlights on me, Racson. Don't burst my bubble, young man.

Matt opens the present! He pulls out a black leather jacket that reads I AM A STAR in red sparkles on the back! He puts it on! It fits him perfectly! All the kids admire the jacket!

Britney
Wow, Matt, you look like a STAR!

Emily
I want one like that too!

Jackson
So Michael Jackson style.

Cooper
And you know what's so special about it!?

William
What?

Cooper
It's fire proof!

Matt
Wow! Are we expecting a fire?

INT. MAIN STUDIO - DAY

Elizabeth, Alissa, Eanna, Mya, Mia and Dessire are still talking about the golden star awards as a group by the windows.

Mya
Why don't we go check the Golden Stars?!

Eanna
Let's Go! More Gold means more yachts!

Dessire
I am not going! I came here to film the show. Not to steal the Golden Stars! Let's go join the other on the Green Screen, Mia!

Mia
We're gonna Earn our Golden Stars!

Dessire and Mia leave to the Green Screen Room, where Matt's party is taking place.

Elizabeth, Eanna and Mya run out of the main Studio after them with their own destination in mind.

INT. STUDIO BOARDROOM - DAY

Elizabeth, Eanna and Mya enter the main boardroom. They are immediately taken by the beauty of the Golden Stars!

Mya
Wow! I feel like Alice in the Wonderland.

Elizabeth doesn't hesitate and grabs one Golden Star! She quickly hides it under her shirt.

Mya
Are you for real? You can't just steal them.

Eanna
She is not stealing them! She is just hiding one under her shirt. To protect it from the sun light.

Elizabeth
How did you know they are light sensitive?

Eanna smirks and grabs 2 Golden Stars.

Eanna
They are probably worth millions!

Eanna hides both Golden Stars under her shirt. Mya is shocked.

Mya
Girls, you can't take them just like that!

Alissa suddenly enters the boardroom.

Alissa
I can't believe you didn't wait for me!

Elizabeth

There is only few left, grab one Mya before Alissa takes them all!

Mya and Alissa, both in competition, grab one Golden Star each and hide it under their shirt.

Mya

And now what!

Elizabeth

And now, we are going to find a safe place to hide them!

All 4 girls quickly exit the boardroom.

INT. STUDIO LOBBY - DAY

Now there is only 3 Golden Stars In the boardroom. Sean is just now returning with Jack from the restroom, making their way down the hallway outside the windows of the lobby.

Elizabeth

Quickly, we have to hide them somewhere fast. Sean is coming back!

Mya

Let's hide them somewhere in the kitchen!

Eanna

No, back in the editing room! No one ever goes there while we're here!

Mya, Eanna and Alissa are both rotating in confusion as they are making the decision in which direction to run. Mya runs to the kitchen area and we watch her hide her Golden Star in a backpack laying on the kitchen floor. She hides the backpack quickly under the kitchen sink.

Alissa and Eanna run to the main editing room to hide their stolen statues.

Elizabeth stays right in front of the boardroom and quickly stashes her Golden Star under the jacket laying on the table close to the studio entrance door.

INT. GREEN SCREEN STUDIO - DAY

Matt and the kids are enjoying the party in the Green Screen Studio. Mia and Dessire just joined them.

Leeya

Matt, blow out the candles already! I can't wait to taste the cake!

Matt

Yes. Yes. I will. I just need to go check on something real fast. I promised Zuzana, I would babysit "The Precious" Lol.

William

Babysit the precious? What's that?

Matt

I will be right back!

The camera follows Matt as he runs out of the Green Screen Studio, through the lobby and into the boardroom to check on the Golden Stars. He discovers there is only 3 Stars left!

INT. STUDIO BOARDROOM - CONTINUOUS

Matt

OMG! Where are they? What happened? This can't be? Where are those creeps?

Matt exits the boardroom and runs into Sean, Jack and Elizabeth in the lobby. Elizabeth has just hidden one stolen Golden Star under the nearby jacket.

INT. STUDIO LOBBY - CONTINUOUS

Matt

Sean, have you seen the Golden Creeps? They are not in there anymore.

Sean

Oh, no I was just in the bathroom.

Matt

Again? You really need to get with the program and see a doctor! I'm gonna go interrogate the other kids. You question them. (Points at the kids around him)

Matt runs back to the Green Screen studio where his party is taking place.

Sean

Elizabeth, what are you doing here? You are supposed be be filming with Isaac already.

Elizabeth has a super mischievous look on her face.

INT. MAIN STUDIO EDITING ROOM - DAY

Dayana is rehearsing her scene when Eanna and Alissa enter. They start looking for a place to hide their Golden Stars.

Cooper walks in a few moments behind the girls and sees the Golden Stars.

Dayana

Where did you get these from?

Cooper

Wow! Awesome!

Eanna

Awesome is Right! 24 carat pure Gold. Worth a few millions each at least!

Cooper

For Real!? I want one!

Eanna

Yeah, Zuzana has them! Go get it fast, before she gets back from the gym.

Cooper
What?! She works out?

Eanna and Alissa hide the 3 Golden Stars under the editing desk and cover them with a jacket that was laying there.

Dayana and Cooper exit the editing room and run into Sean, Jack and Elizabeth as they are returning to the main studio.

Sean
Where are you two going? We have to start filming.

Cooper
Bathroom.

Sean
Oh, good! I was thinking I am the only one with an overactive bladder.

Dayana laughs at Sean who replies with a stern look.

INT. GREEN SCREEN STUDIO - DAY

Matt enters the Green Screen studio. He is apparently stressed and upset because 5 Golden Stars have gone missing.

Emily
Are we ready for a cake?

Leeya
Is your babysitting over yet?

Matt
Well, this is not good!

Jackson
What happened? You look like you saw a ghost!

Mia throws a pink balloon at Matt.

Mia
Cheer up! It's your B-day!

Matt
I really don't like pink!

Mia
I told you we should've stuck with blue.

Fabiana
Matt, we want you to be happy!

Dessire
Yeah, how about blue!

Dessire throws blue balloon at Matt. Mia and Dessire are popping more confetti. They are throwing pink and blue balloons around.

INT. STUDIO BOARDROOM - DAY

Dayanna and Cooper enter the boardroom. They find the last 3 Golden Stars.

Cooper
Look at that!

Dayanna
Fantastic! I always wanted one of those.

Cooper
What do we do?

Dayanna
Shirts.

Cooper grabs one and hides it under his shirt! Dayanna does the same. The camera follows both of them as they run out of the boardroom.

They rush to the kitchen area to attempt to hide the stolen Golden Stars. Cooper locates the backpack under the sink and stashes his Golden Star there. He knows the backpack belongs to Matt but hopes to retrieve it before too long.

Cooper
No one will ever find it in Matt's backpack!

Dayanna
Perfect idea. Are you sure that's Matt's?

Cooper
From all the chocolate and coffee stains on it, I'd bet this is his.

Dayanna
Ha ha, yeah! Do you think he'll check?

Cooper
No way. If I know Matt, he'll forget it's here for at least a week and then ask Isaac to hold onto it for 6 months because he'll keep forgetting to pick it up.

Dayanna
How does that guy even remember his lines.

INT. GREEN SCREEN STUDIO - DAY

Matt is pacing around the room nervously, talking to the kids.

Matt

Well I don't know what happened. But the Precious mysteriously disappeared! Guys, I have to go again! Wait with the cake! I promise I will blow out the candles right as I return!

The camera follows Matt as he leaves the green screen studio and heads back to the boardroom in attempt to take the remaining Golden Stars with him.

INT. STUDIO BOARDROOM - CONTINUOUS

Matt enters the boardroom. There is only one Golden Star left! Matt starts to freak out. This is when Zuzana returns back from the gym and enters the boardroom to check on the Golden Stars.

Matt

(Trying to stand in front of the missing golden stars)
How was the gym?

Zuzana

(Peeking around Matt to see they're missing)
Where are the Golden Stars?

Matt

(Defeated)

They were here and now they are not...

Zuzana

I told you to guard them, not to steal them!

Matt

I didn't steal them!

Zuzana

Yeah, right! I saw the way you were looking at them! How could you do this to me! You, you... pointless, incapable, inhuman...human being.

Zuzana is leaving and suddenly turns around and grabs the last Golden Star from the table.

Zuzana

This one I am taking with me All the way!

We see Matt rolling his eyes as she exits gripping her golden star.

INT. MAIN STUDIO - DAY

Sean is in the Main Studio with Elizabeth, Jack, Mya, Eanna and Alissa. Cooper and Dyanna join them right after they have hidden the Stars in the backpack.

Sean

Ok peeps, lets get to the final rehearsals and get those cameras rolling. Kind of chilly here, no wonder why my bladder is so over active. Where is my jacket?

Mya
I think you left it in the editing room.

Sean
Oh, Yeah?

Sean goes to the editing room to look for his jacket.

Sean
Goodness, where is it?

Sean looks around and finally finds the jacket under the editing table. He takes his jacket and accidentally uncovers one Golden Star.

Sean
What? How did you get here?

Sean looks around to make sure no one sees him holding the Golden Star!

Sean
Ahh, whoa! This must be God sent. God, you know I always wanted one! Ohhh...Yes! This one will be MINE! Forever!

Sean is so happy to find the Golden Star, he kisses it and holds it close. Ready to find a new hiding place for his newly found treasure, he turns around and is caught by Mya, Elizabeth, Eanna, Cooper, Dayanna, Alissa. The kids approach him with arms crosses, knowing he knows their secret and wants the Golden Star for himself.

Sean
What are you doing here? It's filming time!! Let's go, let's go... back to the studio!

Elizabeth
No, not without the Precious! Give it back!

Sean
I don't know what you are talking about!

Alissa
You now exactly what we are talking about!

Dayanna
Yeah, we just caught you trying to hide Zuzana's Golden Star!

Cooper
Yeah, the one that you have stolen from her!

Sean
What? I haven't stolen anything! This is ridiculous!

Elizabeth
Then how do you explain it was under your jacket? Matt was looking for them earlier. Maybe we should go tell him that it's in here!

Sean

Ok, Ok, Easy. I must admit I always wanted one, ok? I am desperately in love with them! The very first moment I saw them my heart skipped a beat. I was hoping destiny would somehow magically bring one to my life! Ok?

Dayanna

MmmHmmm.. Princess!

Cooper grabs the Golden Star from Sean's hands.

Elizabeth

Listen, there is one more left!

Mya

But you need to act fast before anyone else gets it!

They all exit the editing room.

INT. STUDIO LOBBY - CONTINUOUS

They see Zuzana walking around with the last Golden Star. They are watching her and conspiring how to manage to take the last Golden Star. Dayana leaves to Matt's party.

Cooper

Jeez, this is going to be difficult.

Elizabeth

Yeah, she keeps on holding on to it like it's Louis Vuitton clutch purse.

Eanna

I don't blame her. That's probably her last million in Gold.

Sean

Lol. How much did you say they are worth?

Eanna

Like couple million each.

Alissa

Enough to get you a yacht.

Sean

Oh, I always wanted to go sailing!

Elizabeth

Yeah but now it's too late! It looks like she won't let go of the last one!

Sean

Unless, unless... We convince her to!

Elizabeth

Yeah, but how are you going to make her?

Sean
I have a brilliant idea. Listen up!

Sean whispers something to the kids and they leave to the kitchen.

INT. GREEN SCREEN STUDIO - DAY

Matt's party is taking place with Emily, Fabiana, William, Britney, Racson, Jackson ,Leeya , Desirre, Mia and now Dayanna.

Fabiana
Hey, guys, don't you think Matt was super sad?

Leeya
Yeah, totally! We need to surprise him with something special when he comes back!

Jackson
How about a Michael Jackson song?

Mia
Yeah, more like a real show with Fireworks! I am telling you he wants the Fireworks!

Dessire
I have an idea! Why don't we light up the confetti.

The kids set the studio on fire with the candle and the confetti. The fire starts. Matthew enters the Green Screen studio which is set on fire already.

Matt
Kids, I am back!

Matt sees the studio on fire! Kids standing there as the flames are surrounding them.

Matt
Oh my god! What?!? Holy- No No No! The studio is on fire! What have you done??

Fabiana
Fireworks!! Isn't that what you wanted??

Matt
What?!? No, no! This is not what I wanted!

Emily
Please don't worry! You have the fire proof jacket!

Matt
Are you joking?!? We gotta get out of here fast!! Call- Call- Call- The Firefighters!

INT. STUDIO LOBBY - DAY

Sean, Elizabeth, Cooper, Alissa and Mya are in the kitchen. They are ready to proceed with Sean's plan.

Sean
We gotta be very inconspicuous guys!

Sean is prepping the coffee. Meanwhile Elizabeth and Alissa are looking for the right "ingredient" to mix up in the coffee to mix up the sleepy drink for Zuzana.

Alissa
I found something! It says "Rat Poison".

Eanna
Perfect, let's mix it up.

Sean
What?!? No, No... something less... deadly! Keep on searching.

They continue searching. Eanna finds another bottle.

Elizabeth
"The sleeping Miracle Herbal Ointment"

Sean
Yeah, that sounds more accurate. Pour it in guys!

Elizabeth opens the bottle and pours generous amount in the coffee.

Sean
More!

Elizabeth pours in the whole bottle.

They are ready to proceed to the boardroom.

INT. STUDIO BOARDROOM - CONTINUOUS

Sean, Cooper, Alissa, Mya and Elizabeth enter the boardroom to find Zuzana who is holding the last Golden Star and working on some paperwork.

Sean
(Mischievously)
Hi, Zuzana.

Zuzana
Hi Guys

They all approach her and sit on the table.

Elizabeth
You must be so tired working -OUT all day!

Alissa

Yeah, we brought you some coffee to make you feel better!

Zuzana

Oh, you guys are so sweet! And you know how sweet makes me feel!

Sean smiles mischievously again.

Elizabeth hands her the coffee cup. Zuzana takes a sip.

Alissa
How?

Zuzana
Fat!

Sean
Well, it's sugar free!

Sean
(Looking at the kids, holding back a smirk)
Drink up, Zuzana! It's good for you!

Cooper
We are so sorry for your loss! The Golden Stars have left you!

Zuzana is clearly getting tired from one sip.

Zuzana
Wow, I guess I need more. I am so tired.

Sean
Yes you do! , We know you Work – Out very hard! Take another sip...slowly...

Zuzana's head starts turning around in a weird motion. Sean grabs the cup from her hand. Zuzana passes out on the table. They are not sure if she is faking it or really passed out. Sean lifts her hand to test it. The hand falls back down. She is dead or deeply asleep.

Sean
(A little shocked and worries)
Hello, anybody there?

Alissa
What if we killed her?

Sean
Ohh, That's ok!

Cooper
Who will take over the company?

Sean
I don't know, Matt probably would!

Elizabeth
What if we go to Jail for stealing the Golden Stars?

Cooper
You mean for killing her?

Sean
No, we won't! Matt will! Remember if she's dead then he is liable for everything moving forward. If anything, just blame it all on him!

Sean grabs the Golden Star from Zuzana's hand, hides it under his shirt and they all exit the boardroom as she lies motionless. Alissa turns back before leaving and whispers to Zuzana:

Alissa
Don't be dead please.

INT. STUDIO LOBBY - DAY

Matthew and the kids are exiting the Green Screen Studio as Matt calls the Firefighters.

Matt
Hello? The firefighting department? Yes, listen...we are on fire over here! Yes, the address is...

We see the kids exiting the party room. The smoke starts to spread. Matt and the kids run in chaos into Sean and the kids as they are leaving the boardroom.

Matt
We need to evacuate immediately! Guys the studio is on fire!

Sean
What?? OMG let's go! What are we waiting for?

Sean runs in the opposite direction. Matthew is still on the phone with the Firefighters. We see Elizabeth, Alissa, Cooper, Mya and Eanna stay and talk to each other.

Elizabeth
We can't leave Zuzana there! What if she dies in the fire?

Cooper
Yeah, we should go back in there and wake her up!

INT. STUDIO BOARDROOM - CONTINUOUS

Elizabeth, Alissa, Mya, Cooper and Eanna enter the boardroom where Zuzana is seen passed out on the table. The smoke from the fire is everywhere now. Alissa closes the main boardroom door to keep the smoke out.

Alissa
Omg! She is dead!

Elizabeth
No. She can't be! We didn't give her the rat poison, remember?

Cooper

She is supposed to be resistant to all of the herbal remedies already. Sean said she is used to it.

Cooper pours water from the water bottle on Zuzana. She wakes up.

Zuzana

Oh, what happened? Where is? What is? What's my name? Where is my last Golden Star?

Cooper

We gotta get out of here Zuzana! The studio is on fire!

Alissa

Yeah, Matt set the Studio on Fire!

Zuzana

I knew it!!!

Mya

He is throwing a big Bday Party next door and he said he wanted some FireWorks!

Zuzana

What?

Elizabeth

Yeah, he also Stole all the Golden Stars!

Zuzana

That son of a

Cooper

He said he will melt them in the fire, will make the jewelry out of them and sell it! For Profit!

Zuzana

No!!! I think I am going to fall asleep again!

Suddenly we hear a Loud Bang! They are covered in smoke.

Zuzana

We are under ATTACK!

Cooper

No! That's Matt! Testing his new Explosive machine!

Eanna

Quickly, Let's hide under the table!

They hide in fear under the conference desk.

INT. STUDIO LOBBY - CONTINUOUS

Matt

Finally! Hurry up guys, the whole studio is on fire!

FF1

Easy, Easy, First we have to inspect the intensity, before we actually deploy.

Matt turns around in the circle, confused. The firefighters start walking a bit around the studio. They are surrounded by the fire in the corners.

FF2

Looks, like a Real Hollywood Set!

FF1

Right? Pretty cool! I always wanted to be an actor, man.

FF2

Yeah, I feel you. Has been my dream ever since I saw the Spider-Man movies with Toby.

FF1

Toby was the worst Spider-Man.

They lift some stuff around and uncover one hidden Golden Star in the studio corner. The one Elizabeth has hidden there previously.

FF1

Look at that! I found an Oscar!

FF2

That's not an Oscar, dumbass. Looks more like Goldie Hawn's replica.

FF1 is chewing gum visibly.

FF1

Did you just call me a dumbass?

Matt notices the firefighters found one of the missing Golden Stars.

Matt

Where did you get that?

Matt, super excited grabs the Golden Star from the firefighter's hand.

Matt

You should be more worried about the fire!

FF1

Easy, easy... we are still expecting... I mean inspecting.

FF1 looks at the FF2

Matt

Dumbass!

FF1

Did he just call me a dumbass?

INT. STUDIO BOARDROOM - CONTINUOUS

Zuzana and the kids, Elizabeth, Alissa, Eanna, Copper and Mya are trembling below the conference table. The smoke is everywhere. The image turns black and white from the smoke.

Elizabeth
This looks pretty serious.

Mya
What if we burn alive?

Zuzana
We shouldn't! I have special fire-proof vests! Ever since Trump became the president "we the people" must be ready for everything! Cooper, reach over to the drawer on the left!

Cooper confidently gets up from under the table and gets the vests from the drawer. He brings down the military vests. They all put them on. Cooper smiles.

Alissa
You are my hero, Cooper!

Eanna
We gotta get out of here!

Mya
We've got to! I have a cat at home!

INT. STUDIO LOBBY - CONTINUOUS

Matt IS panicking, now holding one of the missing Golden Stars he took from the firefighters Dayana is near.

Matt
We gotta get out of here, fast! Where is Zuzana?

Dayana
Sean killed her!

Matt
What?

Sean is passing by trying to run away from the fire. He smiles at Matt and Dyanna innocently.

Matt
You killed Zuzana?

Sean
What? Nooo... She is taking a nap in there! (pointing at the boardroom)

Sean runs away in chaos! Matt and Dayana are trying to open the boardroom door.

Matt
The door won't open. Crap!

Cut to Zuzana and the kids in the boardroom. They are now crawling on the floor towards the main door in the smoke.

Cooper
These vests are amazing! Are they Trumps?

Zuzana
Yeah, he developed them for his secret undercover mission. The operation "War Zone".

Alissa
Is Trump at War?

Cooper
Yeah, now with Korea.

Elizabeth
His ex Ivana manufactures them back in Czechoslovakia!

Zuzana
Yes, Illegally!

They hear another loud sound. Explosion style. They cover their heads with their hands and then peek their heads up again. The smoke is on their faces.

Cooper
And now the smoke is all over us!

Zuzana
We gotta crawl to the door!

They hear another loud explosion.

Zuzana
That's it! Cooper, call the FBI! Something is amiss!

Cooper takes out his phone...

Cooper
What's the number?

Zuzana
844- Call- FBI

Cooper
Hello, FBI? ... They hung up.

Alissa
What's FBI?

Elizabeth
The Funeral and Burial Industries! Right Zuzana?

Zuzana
That's right.

Cooper
You are so intelligent, Elizabeth!

INT. STUDIO LOBBY - CONTINUOUS

The 2 Firefighters are now sitting on the tables between the Main Studio and the boardroom. They are casually lounging and observing as the fire spreads through the studio.

F1
It fascinates me! The speed in which the fire spreads and the panic it creates.

F2
Should we deploy now or what?

F1
Easy, easy... I'm still thinking.

FF1 stuffs an ISTAR Cookie in his mouth and speaks with his mouth full.

FF1 (cont.)
Naaaaa.... By the time the fire spreads...We got time.

We see Mia and Dessire are now saving the cake from the Green Screen Studio where the fire is the worst. They are passing the firefighters.

F1 pulls out his iphone

F2
Is it someones's bday today?

F1
(Pointing toward the cake as it passes)
It looks like it.

F1 (cont.)
Siri, who's bday is it today?

Siri
1.5 million people share a birthday today, dumbass.

The two firefighters share a confused look, FF1 is a bit embarrassed.

F1
My wife must've changed my iphone settings.

The camera pans to reveal Zuzana and the kids victoriously exiting the boardroom unharmed. Their hair is all over the place, smoke and ashes on their faces. They are out of the breath, barely alive.

Matt and Dayana are at the door as the door finally opens. Zuzana notices that Matt is holding the lost Golden Star!

Zuzana

There! Not only that you have stolen all of my Golden Stars, you have also set the studio on Fire! And you tried to kill me on top of it.

Matt

Yes! I mean, No! Wait- What?!? You are alive!

Elizabeth

Why don't you tell her where are you hiding the rest of the precious?

Sean is passing the scene again, now in the opposite direction. He is clearly running out of oxygen from the smoke.

Sean

Oh, hi Zuzana, how did you sleep?

Sean is stumbling at this point, moving forward towards the firefighter's hang out spot.

Sean

I think, I think I am going to pass out. I can't breath! I need air!

Sean passes out right in front of the firefighters. FF2 looks at FF1 a bit concern.

FF1

Chill man... He is an actor!

FF 2

Hell of a good one! Man, he almost got me fooled that he really needs oxygen or something.

FF1

We don't have any anyway.

Both firefighters laugh.

Zuzana, Matt and the kids in front of the boardroom.

Zuzana

I am going to search the entire studio in and out to find my Precious! Fire or no Fire!

Cooper

Yeah, you should start searching his backpack!

Zuzana

Great idea Cooper! Where is it?

Elizabeth

Yeah, lead us to your property! Will you!

Zuzana, Matt and the kids are proceeding to search Matt's backpack. They notice Sean on the floor.

Zuzana
Why is he sleeping on the floor?

FF1
Lack of the oxygen syndrome.

Zuzana
Ahhhh...

Zuzana carelessly waves her hand and the team continues moving forward stepping over Sean.

Zuzana looks at the FF1

Zuzana
Are you off duty?

FF1
Ohhh, Yeah!

We see Cooper's puppy around Sean. FF2 attempts to use the puppy to wake up Sean, with success.

Sean
Jeez, I hate bulldogs!

Zuzana, Elizabeth, Mya, Alissa, Cooper, Eanna, and Matt and Dayana are approaching the kitchen where Matt's backpack is stored.

Matt
You won't find anything there, Zuzana. Only my peanut butter jelly sandwich.

Elizabeth
You said you are allergic to peanuts!

Matt
No! I said I am allergic to cats!

Elizabeth
Same thing.

Matt
So far from the same thing.

Cooper
Hmm, You start with a lie, you finish with an allergy?

Matt is grabbing his backpack. His hand unexpectedly drops under the unexpected weight of his backpack.

Zuzana
Unusually heavy? Put it on the table.

Matt places his backpack on the table. The kids and Sean surround the table in the expectation to see what's inside. Zuzana proceeds to open the backpack. Everyone is shocked. Zuzana pulls one Golden Star after another out of the backpack.

Cooper

Wow Matt, I can't believe you took them!

Sean

Horrific, you said you didn't like the creeps!

Elizabeth

How could you betray us like this!

Eanna

He took them all so he can buy more coats, or boats and yachts...

Sean

Yeah, those boats! And you never took me sailing!

Zuzana grabs a piece of a chocolate cake

Zuzana

You know... The cake tastes like... ugggh.

Zuzana throws the piece of cake at Matt, hitting him square in the face. Matt gets offended.

Matt

Ahhhhh

Sean

Yeah, a cake fight!

Sean grabs a piece of cake and throws it at Elizabeth!

Elizabeth

Why are you throwing it at me? Throw it at Matt! You said he is liable for everything!

Elizabeth throws the cake at Sean.

Cooper

Yeah, Sean you told us to poison Zuzana!

Sean

(Laughing it off trying to cover)

What?

Alissa throws cake at Sean. The cake fight continues.

Matt grabs one Golden Star and in anger stashes it head down into the chocolate cake.

Everybody

Ahhhhhh!

Matt

I had enough of this non sense!

Dayanna
That's Rude!

Cooper
Wow, I have never seen a Golden Star head down in the chocolate cake!

Sean
Truly reminds me of my grandfather after they have buried him.

Zuzana
You are fired!

Zuzana is leaving the scene.

Matt turns around to follow her. As he turns his jacket catches fire.

Matt
You know what, if you're going to believe them then I am Fired-Up to tell you that you are one
pointless, ruthless, inhuman..

Sean interrupts him

Sean
Matt, You are on fire!

Matt
Yeah, I AM on fire!...(continues) one ruthless inhuman human...

Mya
No, Matt! You are on fire for real.

Matt now notices his jacket is on fire

They all start trying to extinguish the flames.

Zuzana
Let him burn, he needs a new brain. Made out of ashes!

Sean
Call The Fire -Burns Inc

Elizabeth
You mean The FBI?

Zuzana continues walking towards the firefighters. Her hair now sets on the fire. Both
firefighters are staring at her in amazement.

Zuzana looks sternly at the firefighters.

Zuzana
What are you looking at dumbass?

Matt passes them in a frantic fashion.

Matt

Next time, keep your hat on. My jacket is fire-proof.
